

Playwriting: By the Chapter (Chapter #, date)

In journals, please complete the following at the end of each chapter for Playwriting101.com:

1. Write down any questions you may have and ASK them!
2. Write some brief notes - what important information did you take from this chapter?
3. Pre-write - what ideas do you have for your play? Write those down - list, brainstorm, write a scene, whatever you think (it could even be associations, like when we discussed novels and films made from them).
